Note 1: Company contributions include SGC and Award contributions, as well as additional contibutions made by the company where applicable.

Note 2: Once members have been entered into our administration system, we will advise you in writing of their membership numbers and provide you with a printed report detailing their membership numbers and names. You can then use that sheet when reporting on and making payments for future contribution totals. When a new member needs to be entered onto the sheet, simply write in their name, Tax File Number, current address and date of birth so we can accurately identify them.
