Step 2 | Opt-out of having automatic default insurance

You're automatically allocated the default insurance of 2 units of Light Blue Fixed Premium Death & TPD* cover (subject to eligibility) when:

- you turn 25 years old (and cover can continue until age 70), and
- you receive Superannuation Guarantee (SG) contributions from your employer, and
- your account balance reaches \$6,000.

To opt-out of having automatic default cover, cross the box below.

I do not want automatic Death & TPD default cover to be applied to the following accounts if I become eligible:

Account 1

LUCRF Super member number

Account 2 (if applicable)

LUCRF Super member number

Account 3 (if applicable)

LUCRF Super member number

Your request will apply for as long as your account is open, or until you choose to cancel it. You can apply for cover at any time in the future.

***IMPORTANT:** If you're a Claiming TPD Member, you'll only be entitled to receive default Death Only cover (and not default Death & TPD cover). If you're a Claiming Terminal Illness Member, you're not eligible to receive default cover. Refer to our Insurance Guide for definitions of 'Claiming TPD Member' and 'Claiming Terminal Illness Member'.
